

Luminux is proud to present you the Topaz series of LED Tracklight which is perfect for the retail shops, supermarkets, window displays, hotels and most of commercial and architectural lighting. The integrated Italian LED Driver and Track Adaptor offers a superior compact size and elegant outlook. Topaz adopts multichips-array LED system (Cree, USA) technology which can produce up to 2750 lumen with 30W only. The highest color rendering option can be up to 95CRI. It is now possible to reduce energy consumption and maintenance costs without compromising on light quality and ambience.

**Features**

- Integrated LED Driver and Track Adaptor
- Ripple Free
- Aluminium Cooling System
- Multichips-Array LED System (Cree, USA)
- Interchangeable diffuser
- Ultra-easy Installation
